Biographical Sketch:

Dr. Carter currently serves as the director of Wayne County's Department of Children and Family Services. As the director, he oversees all juvenile programming for the county plus programs for families and adults. Prior to this appointment, Dr. Carter had worked more than 40 years with the children and families of Wayne County through a variety of roles in the education system. Dr. Carter has also served on the Boards of Directors for numerous Wayne County-based organizations, including the Detroit Science Center and Public Television. Additionally, Dr. Carter is a many-time published author and noted authority on educational issues, including cultural competence and collaboration with the faith-based community. Dr. Carter is also trained on the use of therapeutic hypnosis and biofeedback.

Affiliations:

- Detroit Public Television
- Detroit Science Center
